

A SPECIAL THANK YOU TO OUR 2015 DONORS!

THE GOAL CLUB was started in 2012 and is one of OLHS Girls' Soccer key fund raising and recognition programs. Proceeds are used to fund key needs in the area of equipment purchases, coaching aids, video analysis equipment, team gear, offsetting family costs for practice shirts and game socks, and other tools to support the program that are not covered in the budget. We are thankful to all of our 2015 donors for their contributions that will help the Pattys Soccer Program now and for years to come!
